

‘Talking COVID 2022 in Pregnancy - GP Obstetric Shared Care Q&A Webinar’ - Program

Wednesday 16th February 2022

We would like to acknowledge this land we meet on today is the traditional lands of the Kurna people and that we respect their spiritual relationship with their country. We also acknowledge the Kurna people as the custodians of the greater Adelaide region and that their cultural and heritage beliefs are still as important to the living Kurna people today.
